Attitude

(ăt′ ə - to͞od′) *n*

1. A position of the body or manner of carrying oneself, indicative of a mood or condition.

2. A state of mind or feeling with regard to some matter: disposition.

Welcome to our First Issue. Although it is embryonic and a little rougher than we would like, we are still extremely proud of our baby.

It marks the beginning of what we hope will be a satisfying venture, not only for us but you, the reader.

Being brand new, of course we are still formulating what we aspire to be, but are hoping with the input of creative people, we will be able to fill a viable need within our community.

We hope to be, informative, investigative, humorous, current, creative, provocative, controversial, and more.

It may be expecting alot, however, with the help of "people who care", we plan to pull it off. If not, we had a hell of a good time trying. All it takes is the right "attitude."

LETTERS

I am pleased to announce that the California State Assembly has passed AB 1 by Assemblyman Art Agnos (S-San Francisco). This measure, which I co-authored, and was proud to vote for, outlaws job discriminatin against Gay men and Lesbians.

This bill assures that Gays in California have the right to earn a living in an environment where they are leagally protected from discrimination. The measure spells out in statue from the existing antidiscrimination law which is expounded in a Supreme Court ruling. This step is very important because currently few Gays facing job discrimination are able to assert their rights without costly and time consuming court suits.

This bill gives Gays the right to file job discrimination complaints with the State Deparatment of Fair Employment and Housing rather than pursuing civil suits through the courts. However, it specifically exempts religious and nonprofit organizations from the proposed law. The bill makes it illegal for an employer to fire, refuse to hire or fail to promote workers because of their sexual orientation.

Surveys have shown that 60% of all Gays suffer some kind of employment discrimination. Assemblyman Agnos has worked for years to get measures similar to this passed by the State Legislature. This bill marks the fourth time in the last seven years he has proposed a similar bill. He is to be praised for his determination and diligence in this regard.

This measure now goes to the State Senate for consideration. We cannot afford to allow discrimination in our society. To condone discrimination against any group is to encourage discrimination against everyone. We must not allow such a signal to be sent. We must make our voices heard.

NATIONAL AIDS LOBBY PROJECT FORMED

NEW YORK, NY - In an effort to co-ordinate local efforts to combat the nation's "number one health emergency", more than 30 national and local community organizations have formed The National AIDS Federation with an AIDS lobby project to be based in Washington, DC. More than 100 groups are expected to join the effort. "The need for a united and co-ordinated effort to inform and assess our elected and health officails' response to the AIDS crisis has grown tremendously," noted Virginia Apuzzo, Executive Director of the Nationa Gay Task Force and a temporary steering committee member of the AIDS Lobbying Project.

"As this health crisis has grown from the concerns of officials in major metropolitan centers, to a national health emergency that threatens the well-being of all Americans, we have found that a single voice to co-ordinate efforts for federal funding of medical research to combat Acquired Immune Deficiency Syndrome (AIDS) and to co-ordinate the efforts of federal agenxies on behalf of persons with AIDS is needed," she added The National AIDS Federation Lobby Project to begin efforts this summer will be staffed with lobbyist as well as support staff.

The creation of this project was decided at the recent Fifth National Lesbian/Gay Health Conference in Denver. The temporary Steering Commettee members of the Lobby Project include Steven Endean. Gay Rights National Lobby; Virigina Apuzzo National Gay Task Force, and representatives from AIDS support groups from New York, San Francisco, Los Angeles, Philadelphia, Dallas, Houston, Chicago and Atlanta. People with AIDS will provide much needed direction to the effort. Funding for the lobby project has begun with committment of more than $100,000.

Additional support is expected from individuals and group organizations. Donations for the project may be sent to Paul Popham, Treasurer, National AIDS Lobby Project, c.o Gay Men's Health Crisis, Box 274, 132 West 24th Street, New York, NY 10011. (212) 807-6655 or (213) 871-2437.

ARIZONA ALLIANCE FOR CULTURE THROUGH MUSIC

It is our interest to form a society where we as individuals and as a collective will work as a network for the exchange of information and publicity. Our purpose is to increase public awareness of the cultural value in musical styles usually considered noncommercial or secular of a people or a time and place in histor).

We will, in the spirit of camaraderie, give equal attention to eliminating the bias and stereotypes associated with each of these musical styles in order to find a wider audience of support and to attain a crossover in listener appreciation for all!

We would like to introduce you to a new group. We call ourselves the "ALLIANCE", which stands for "The Arizona Alliance for Culture Through Music". A description of our objectives are herewith enclosed in the form of our by-laws. We are contracting you for specific reasons: your experience, your past accomplishments and your credibility.

We approach you for your support in whatever capacity available. We are also at your service. We would like to invite you to our next meeting in hopes of interesting you in an advisory position to the Board of Directors. The meeting will be held at 8:00 p.m. Monday July 18th at the Purple Turtle, 1019 East Indian School Road. We are inviting numerous other people in the community, some of whom you may already know: Paul Cantrell, Tom Coulson, Eunice Davis, Louie Enriquez, Frank Hall, Nancy Jackson, Tony James, Kyle Lawson, Charles Lewis, Andrew Means, Pat McElfresh, Thomas Messina, Kathy Parker and Bob Ravenscroft. All of these people have shown dedication to the local music scene which is above and beyond the call of duty.

The question is, how can we be influential and of service to this community and to each other? Also, what are the pros and cons of being a non-profit organization as opposed to being a private, dues-paying club. We are aware that similar groups are already in existance - Jazz in AZ, Caribbean Culture Club, etc. One has to realize the need for such clubs can never be adequately realized and these groups cannot be all things to all people. Neither will we. However, we feel that by joining forces we can maximize our collective energies and thus further the acceptance of non-commercial or secular music. Your support and experience is greatly needed.

Our first project is already in the final stages. A Summertime Rhythm & Blues Festival is scheduled for the third week in August. The festival will run foru consecutive nights, with two bands performing each evening. The tentative line-up is:

Wednesday, Aug. 17th: Tommy Dukes Blues Band, with Flagstaff phenomenon S.E. Willis and the Wayward Sons

Thursday, Aug 18th: The Torpedoes, new and hot on the Phoenix scene, sharing the bill with Big Pete Pearson and the Detroit Blues Band

Friday and Saturday, Aug 19th & 20th: KMCR's won Hacksaw Williams (Tom Coulson) Blues Band opening for the uparalleled Midnite Blues Band

Tentative location for this event is the Purple Turtle Cafe at 1019 E. Indian School. Proceeds will go to the entertainers and for the advancement of the Alliance.

For further information write to the Alliance, c/o Tom Coulson, 1121 East Carol, Phoenix, AZ 85020 or Thomas Messina, 1332 East Campbell, Phoenix AZ 85014.

We hope to see you at our next meeting.

THINK ABOUT IT!!!

by Alexia

More and more, television commercials are appearing to change. These changes, for some companys are I feel, definatly directed towards the Gay audience. For intance, ever since that hunk ran off the peer, caught the football, and plunged into the water, I have become a loyal Mountain Dew-er. I wouldn't think of leaving the T.V. while twenty or so toweled men come singing out of the shower for Pepsi-Lite. But now I'm hooked on these commercials, they have me waiting, wanting more, not more products but more commercials, in a strictly Gay orientation. In a popular mint commercial there is a man and woman in the Youkon, in a completely white setting, he's lying down wrapped in Fur she is above him and says in an exotic, sexy voice, "I've got a surprise for you." Now it seems to me that if they would have put two men up there, with the same dialog, that company would have sold twice the mints.

Imagine if you will, a commercial in a bar full of hot, hunky men, clad only in jeans and sweat. Not a woman in sight - just a big hot party. The camera takes you through the bar, past the dance floor and into the cruise area. The camera closes in on one guy, (the hottest looking man in the commercial of course) another hot man approaches with a bottle in his hand, offers it and says the only word in the commercial "This Buds for you!"

Now if you think straight men would stop buying the product because of the ad - well maybe a few would stop for awhile - but once you have a favorite it's hard to change, and besides, if other competitive companys adopted their commercials, would straights stop drinking alltogether - I doubt it.

Let's face it, we would all like to see more Gay oriented ads on television, but will we. Think about it!!

WASHINGTON, D.C. VIC BASILE, NEW EXCUTIVE DIRECTOR OF THE HUMAN RIGHTS CAMPAIGN FUND.

WASHINGTON, D.C. - The Human Rights Campaign Fund, the national pro-Gay civil rights political action committee, today announced the appointment of Vic Basile, a Washington, D.C. - based Gay activist and labor ulnion organizer, as the Executive Director. The Campaign Fund, in its first major elections in '82, raised over $600,000 and won an extraordinary 81% of the Congressional races it entered.

Basile will be responsible for the overall operation of the Campaign Fund, including fundraising, media and public relations, staff supervision, and the critical oversight of the Campaign Fund's City Committees. Relations with other PACs and with candidates will continue to be supervised by HRCF's Treasurer, Steve Endean, who supervised the overall operation of the Campaign Fund until Basile's appointment.

The selection comes as a result of an extensive nationwide search process, with nearly one hundred resumes submitted to the seven member Search Committee. Peter Fenn, a non-Gay member of the Committee who had been with Democrats for the'80s, said, "The search process was the most open, exhaustive and unbiased that I've ever been involved with. We had a wealth of qualified candidates, and the Campaign Fund is fortunate to have had so many first-rate applicants."

Basile had been deeply involved in the labor movement and had helped lead the successful effort to gain endorsement of the American Federation of State, County and Municipal Employees for local, state and federal Gay civil rights legislation. He currently serves as Vice-President of Gay Activists Alliance of D.C., and as labor liaison for both Gay Rights National Lobby and National Gay Task Force.

"HRCF was enormously successful in 1982 and I belive its impact can and will be even greater in 1984. That effort will not be easy, but with the help of our unusually talented staff and board, I expect the Campaign Fund will achieve its ambitious goals," said Basile.

Endean, who is also Executive Director of the Gay Rights National Lobby, praised Basile, saying, "Vic has excellent organizing skills, as demonstrated by his efforts to secure labor support for gay civil rights.

"The challenges ahead are formidable ones. But Vic will bring the experience, energy and sense of purpose to meet them. He'll have my strong support and that of the Board."

HEALTH PERMIT SEMINAR

PHOENIX - On July 12th HOTBOD'S will be having a seminar at 9:30 A.M. for Health Permits. It will be open to anyone in the Gay community who wants to obtain a health permit. There will be a $5.00 charge. The classes will be given by a Health Service worker.

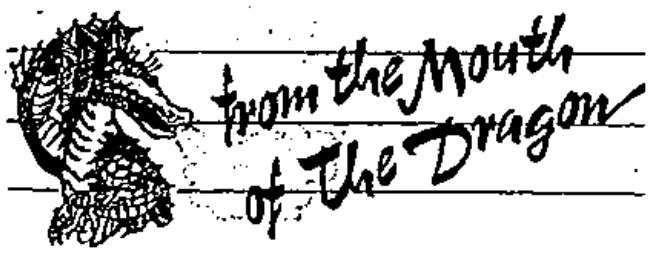
EAT ALL YOU CAN THIS MONTH, AND EAT 'EM WITH RELISH!!



Well darlings, here I am in print again. I haven't been in retirement, just refuelling.

xxxxxxx

Just for the record — whomever draws that graphic crap for another paper, under the guise of Dragon Lady — It's not me. There is only one Dragon Lady — that's me, and the nearest I come to graphics is writing my phone number on bathroom walls.

xxxxx

Rumor has it that J.H. aka Dorthy fell off the wagon, around the second bump.

xxxxx

By the by — J.H. where did you ever get the mistaken idea that you helped, in anyway, what-so-ever to direct Moosala to Stardom. Let tell you — Moosala was a Star long before you hit the city limits of Phoenix, and that's a fact!!!

xxxxx

If Tish has told me once, she's told me ten times that she's lost 45 lbs. Thats ok sister, but I'll bet you still have to wear two towels at the Tubs.

xxxxx

JoAnne informed me that she's hanging up her drag. No more benefits. For bucks $$$ yes, benefits no!!!

xxxxx

I just may vomit, but Cass is just a joy to be around, anymore, and just as beautiful, in drag as ever. Damn it.

xxxxx

Lucy will have a full report for you, since I was unable to attend the tour, on what a whorehouse Phoenix really took to Tucson!!! Watch dog never sleeps.

xxxxx

When you are horny at 2:30 in the morning, call and ask for Room 231, only to find one occupant passed out, and tell the other to get ready as you're coming up, is a bit like; "If you miss the first bus, catch the next." Is'nt that right B.L.

xxxxx

Seems with Goldberg's absence, Moosala has taken it upon herself to assume the title of "No-Show"!!!

xxxxx

Peaches Melba has trouble with her lips without the aid of her counter weights.

xxxxx

Loose "Can we talk". If you pass out on Friday, you get two on Saturday ask Clint S.

xxxxx

If you start early on Saturday, you can handle many more customers, and possibly more without the aid of white wine H.S.

xxxxx

Miss Piggy showed G.B. a new meaning of "Kiss My Ass" but had no idea it was so hairy!!

xxxxx

When you fall off the "Wagon", I had no idea it ment Booze, Pills, Cigs, and WOMEN. Really G.B. Happy Birthday anyway.

Several of our older sisters have been coming up with Blackeyes and Missing Hair these days — watch out for those young blondes B.W J.H.

MAYOR'S ENDORSE GRNL'S AIDS PROJECT

DENVER, CO. - The U.S. Conference of Mayors (USCM) adopted the AIDS lobbying agenda of the Gay Rights National Lobby (GRNL) after GRNL presented it's AIDS concerns at the Conference's national convention here. San Francisco's Mayor, Dianne Feinstein, who is Chair of the USCM's Task Force on AIDS, invited Jerry Weller, Co-Chair of GRNL'S Board of Directors; Ginny Apuzzo, Executive Director of the National Gay Task Force; Dr. Roger Enlow, Director of New York City's Office of Gay and Lesbian Health Concerns, and several other public health officials to testify about AIDS before the USCM's AIDS Task Force.

In his testimony, Weller outlined GRNL's four top priorities in lobbying Congress: (1) Secure passage and presidential approval for the $12 million 1983 Supplemental Appropriation for AIDS research. (2) Secure adequate funding for 1984 AIDS research of at least $50 million. (3) Secure passage of the Waxman/Kennedy Bills (HR 2713 and S1226), which would establish a $30 million Interagency Public Health Emergency Fund from which federal agencies could withdraw money to quickly combat health crisis like AIDS, Toxic Shock Syndrome or Legionaires Disease. (4) Secure passage of the NIH Reauthorization Bills (one of these bills calls for the National Institutes of Health to establish expedited procedures for funding research on public health emergencies like AIDS.

After Weller's testimony and an extensive question and answer period, the USCM's AIDS Task Force unanimously adopted all four of GRNL's lobbying priorities.

Feinstein pledged that USCM lobbyists and mayors on the AIDS Task Force would move immediately to begin lobbying on these issues. "The U.S. Conference of Mayors is a very powerful organization, and I am very pleased that they have taken such a supportive stand on AIDS research," said Steve Endean, GRNL's Executive Director. "Their support is critically important in our fight to stop AIDS." The GRNL AIDS Project can be contacted at P.O. Box 1982, Washington D.C. 20013 (202) 546-1801.

OPEN LETTER TO THE TUCSON GAY COMMUNITY

What can a person say when they are met with such love and hospitality as with cast of "The Best Little Whorehouse in Texas" experienced while in Tucson this past weekend. We fell fortunate to have experienced the true meaning of Gay Brother and Sisterhood, and we all agree we have all grown if only just a little from the experience. I must be honest and say that when I started directing Whorehouse last October. I never dreamed the production would grow to such popularity, I'd be a lier if I said I wasn't proud. But my pride is not in myself but in the 20 member cast and crew who worked so hard and performed so magnificently. In Ken Cameron of Bronco's for having the courage to give us a chance. To the Phoenix Gay Community who accepted us with such enthusiasm and now to the Tucson Gay Commuinty for believing in us. My heartfilled Thanks to Dick Plowman of the Fineline for allowing us the opportunity to perform and for his generous donation. To Joe and Ron of the Graduate for the contribution and to all of Tucson for coming out to see us and giving us their support. Tucson I speak not as Pat Williams Director but as just a member of the cast and I know I speak for the entire Cast and Crew. We're going to the National Gay Rodeo in Reno in August not as merely the Bronco Players of Phoenix but are proud to say we represent the entire State of Arizona. We promise to do our best to make you a proud of us for representing you as we are for representing our great State Again thanks to all of you and if your going to the Rodeo, please stop by and say hi, we'd like to know your there.

Love in Brother/Sisterhood
